## **Circular for the month of February, March, April-2020**

The school management and the staff wish you all “ A very happy new year.”

A huge ‘Thank you’ to you all dear students for your help and enthusiastic participation in the PatangMahotsav and Art Mela, it was a great success – everyone had a fantastic time and the memories created will last lifelong.

As the academic year comes to a closure, our minds and hearts are filled to the brim. It's been a great year! Together we've learned much and shared experiences that have enriched us and made us better human beings. Special thanks to our parents who have contributed in ways small, large, and unimaginable! Thanks for getting your wards to school on time each day and helping them in the learning process; the partnership between home and school is important.

We would like to thank our hard working and caring staff members who have made a huge difference to our students. Their commitment is outstanding and our students are the beneficiaries. Thank you for providing rich and engaging, well-rounded experiences for our students and knowing that education is about joy, wonder and fostering curiosity, along with the development of social skills so needed to succeed. For these, and a million other things, we are truly grateful.

We have begun many new proud traditions this year, including introducing a new School P.T. uniform, establishing a House system, Reading time- A story a day just after the attendance , introducing French , Embroidery and Lezim in the enhance activities ,Butterfly Garden,Grandparents Day, Rhyme day,Spell Bee Charts, Comprehensive Project Books,Budget allocation to Std.7 for making houses for ganeshUtsav,Statewise Dolls collection,Vidyabharati Sports Competitions at State and National Levels, Dhol-Tasha Pathak , Picnics of Secondary section at locations outside Pune and most importantly PatangMahotsav and Art Mela.We are delighted with the way our students have worn their new P.T. uniform with confidence and respect this year. We have had many positive comments from the parents who feel that this has “lifted” our students and given them a greater sense of pride. Our uniform allows students to feel part of the school and have a sense of belonging and team spirit.

It was indeed a year of many activities, competitions which witnessed enthusiastic participation from the students as well as parents. It gives us immense pride to tell you that our children have not only performed well in academics but earned accolades in various competitive exams as well as sports and extracurricular activities.

All this was possible due to the dedication of our teaching staff as well as the support rendered by the CEC members and the parents. Looking forward to the same support and enthusiasm in the next academic year i.e. 2020-21 as well.

**We hope you have a wonderful summer.**

**\* Parents please note -**

- B- The fees can be paid by parents in two instalments first in April 2020 and second in September2020.
- C- The parents will have to pay late fee payment charges from the month of October. ₹ 1 will be charged towards late payment per day from 1st October to 31st October but if parents fail to pay the fees in the month of October and if paid later any day after 31st October then fine of ₹ 100 would be charged everyday right from October 1 till the fees are paid.
